

Welcome to the start of 2026!

Whether you are continuing your academic journey with us or joining our campus for the first time, we are delighted to have you as part of our college community.

Spring is a season of growth and new beginnings, and it reflects the opportunities ahead of you. This semester offers a chance to build new skills, explore new interests, and take meaningful steps toward your academic, career, and personal goals. Our dedicated faculty and staff are here to support you every step of the way, both inside and outside the classroom.

I encourage you to take full advantage of the resources available to you—advising, tutoring, student services, and campus activities—and to stay engaged with your peers and instructors. Your persistence, curiosity, and commitment are the foundation of your success.

Below you will find a link to our Website that lists important information and references—please refer to this throughout the semester.

Thank you for choosing our college. We are proud to be part of your journey and look forward to a productive, successful, and inspiring spring semester.

Wishing you a strong start and a rewarding semester ahead.

Warmly,

Cheryl
